Christopher's Challenge

www.christopherschallenge.org

Christopher's Challenge is a charitable fund that was established in 1998 to support the lifesaving work of bone marrow transplants. The purpose of the fund is to pay for the typing of individuals willing to become potential donors through the National Marrow Donor Program, as well as other costs associated with bone marrow transplants.

Alyssa's Angels

www.alyssasangels.org

The mission of Alyssa's Angels is to do work that reflects the spirit of giving to and caring for others, which was so important to Alyssa Rose Bruno. Funds that are generated will be used to support projects that will directly benefit the most disadvantaged and needy children in the Rochester area. These projects will focus on children who are victims of abuse and/or neglect; experiencing serious medical, behavioral or emotional problems and lacking in family or other community supports.

Ed Grabowski-Dina Finn Memorial Scholarship

Ed Grabowski provided the Federation of Social Workers invaluable support and guidance as our IUE field representative for more than two decades. His expert handling of arbitrations and contract negotiations benefited all of our members. Dina Finn was a long-time member of our Executive Board. She made significant contributions to our organization in many different areas. This scholarship fund for FSW members, and the children they care for, is an on-going tribute to Ed and Dina's memory.

Welcome...

The Federation of Social Workers has a history of charitable activity in the Rochester community that began more than thirty years ago. In keeping with that tradition, the proceeds of this year's golf event will support three very worthy causes. The Ed Grabowski-Dina Finn Memorial Scholarship Fund provides much needed educational aid to worthy students, and is an ongoing tribute to Ed and Dina's immeasurable contributions to the Federation. Christopher's Challenge Fund continues to do lifesaving work in the area of bone marrow transplants. Their event donation this year will be made in loving memory of John Kecskes and Nadine Spinell-Hughto, both of whom were loyal and dedicated supporters of the mission of Christopher's Challenge.

We are also pleased to be partnering with Alyssa's Angels for the fourth year. This charity honors the memory of Alyssa Rose Bruno. The Federation of Social Workers has been involved with projects to help the Bruno family since Alyssa first became ill in 2005. Although Alyssa lost her courageous battle with cancer in August 2006, her spirit of caring and giving carries on through the work that Alyssa's Angels does to help needy children in the Rochester area.

Please join us for a wonderful day of golf and fun in support of these worthwhile organizations, and in memory of exceptional people who contributed significantly to our local community.

We also would like to thank Steve Hausmann from WBEE 92.5 FM for once again being the master of ceremonies of this year's event. Steve has done a wonderful job hosting both this golf tournament and the Federation's Human Services Worker of the Year Awards luncheons, and we are delighted to have him involved once again!

Sincerely,

Evelyn Evans, President
Federation of Social Workers
