

# **FSW November Elections**

## **Volunteers Needed**

I am looking to put together a team of interested FSW members that are willing to assist me in the upcoming Elections. These members are not to have any other union position and would be willing to assist the Election Chairperson in organizing, working the tables and counting votes. The next election is for all FSW positions so being an interested party will mean that all information is strictly confidential and cannot be discussed with any other members.

If you are interested please contact me at 703-5270 or contact the Union Office at 328-7170. Please leave a VM message with a contact number so I can return your call as soon as possible.

There will be a lunch meeting and meeting after work planned for all of those interested in assisting me in the venture.

Thank you,

Lucille LoBue  
Election Chairperson
