## One Month and Still Nothing!

It's been a month since we tragically lost our sister, Bertina Forde, in a hit and run accident on St Paul Street and we still don't really know what happened. All we hear is rumor but no arrest has been made yet. We're upset and the family is upset....

## Join Us:

Thursday December 14

Noon

St Paul Street

Press conference  
and remembrance

We need to bring this back to the front of people's minds in the community.

We need to bolster the reward money and announce the amount collected so far.

Bertina Forde's family will join with us as we plead with the community to provide answers.

**Note: Our Solidarity color on Thursday will be purple...Bertina's favorite color. Please wear purple clothing or ribbons.**

Don't let this crime fade from memory!

Grievance co-chair for Services Evelyn **Adams** has moved and changed her name, so try not to get confused.
